DEMENTIA CARE & COMMUNITY RESOURCE FAIR

Connecting Families. Strengthening Community. Promoting Safety.

Sunday, December 6, 2026

1:00 – 5:00 p.m.

Colebank Hall
Fairmont State University
Fairmont, West Virginia

Join Us for a Free Community Event!

An informative and supportive afternoon for individuals living with dementia, their families, caregivers, and anyone interested in dementia, safety, caregiving, and community resources.

NARDELLI AUDIOLOGY

PROUD PARTICIPATING VENDOR

Nardelli Audiology will be on-site to share information, answer questions, and provide resources about hearing health and its connection to brain health, safety, and quality of life.

Visit our table to learn about:

- Hearing health and brain health
- Tips for better communication with loved ones
- Hearing technology options
- Simple strategies to improve communication and safety at home
- Answers to your hearing-related questions

WHAT YOU CAN EXPECT AT THE EVENT:

Community Resources
Meet local organizations and service providers.

Educational Presentations
Hear from knowledgeable speakers on dementia care, safety, legal and financial planning, and more.

Expert Panel Discussion
Get your questions answered by professionals in the field.

Practical Support
Learn about caregiver support, home safety, wandering prevention, transportation, and other valuable resources.

Connect with Local Services
Talk directly with healthcare professionals, emergency responders, senior service organizations, and community partners.

Together for a stronger, more supportive community. ♡

MARK YOUR CALENDAR!
We hope to see you there!
